Manchester Metropolitan University: a modern university in a world-leading city.

Manchester is where business and education come together in one of Europe's most vibrant cities.

The city is recognised as one of the birthplaces of industry and innovation and was ranked the top European location for business by KPMG's Competitive Alternatives 2016 report. It is one of the UK's major business hubs, with outstanding access and infrastructure.

Manchester Metropolitan's educational pedigree is also impressive. With roots in higher education dating back to 1824, the University is a modern, dynamic and highly successful institution with a mission to disseminate knowledge and make education accessible to all those with the passion and ability to succeed.

Gain the skills needed to lead in a global market

We launched Global Online programmes at Manchester Metropolitan in 2017 to give people across the globe access to professional development, delivered 100% online and taught by research-active academics.

Our courses offer a combination of theoretical knowledge with real-world application to help make you a more effective and inspirational practitioner, as well as raise your professional profile. They are designed to offer you the opportunity to sharpen your skills and gain a depth of knowledge that could

help expand your career options, whether you wish to become a specialist in a defined discipline, to branch out into other areas of the business you work in, or even completely change the direction of your career. They are structured to enable you to take control of your future.

Expand your career horizons in your own space and time

Wherever you are in the world, whatever your job or family commitments, we make it possible for you to earn a respected professional qualification that can take your career to the next level. Manchester Metropolitan University can give you the skills you need to lead in the global market.

Our Global Online programmes have been expertly designed to offer highly-flexible study routes. Through our Virtual Learning Environment, you will have 24/7 access to the tools and materials you need to study successfully and feel part of a supportive community.

You will have access to a wide range of online resources, such as podcasts and readings, to support your learning. You can also participate in live online seminars

with your tutors and peers (these are also recorded to watch back later) as well as attend regular group discussions and projects, during which you can share knowledge and experiences with your fellow students.

Although teaching is 100% online, you will receive continued support from our academics and other Manchester Metropolitan staff, as well as from your fellow students, throughout your two-year programme. You will have

opportunities to network with other business professionals around the globe, making invaluable industry connections that can open doors throughout your future career.

“Learning online is a good way to achieve your goals. You can access the Manchester Metropolitan platform 24/7, whenever you need it. The relationship with our Student Success Advisor and tutors is also really close, allowing me to achieve an in-depth understanding of the topic I am studying.”

Alvaro Benitez,
Global Online MBA student, 2018.

Outstanding teaching and learning support

Academic excellence

Each Global Online unit has a dedicated teaching team, who combine knowledge of the latest business research and management models with their practical experience and understanding of how theory can be applied. The majority of our academic staff have been business practitioners and many still provide consultancy services in the wider corporate arena.

Student support

One of our key priorities is ensuring you have access to the support you need to complete your degree successfully. As a Global Online student, you will be assigned a dedicated advisor from our Student Success Team, who will provide you with advice and guidance from registration to graduation.

Manchester Metropolitan University Students Union

You will also be a member of our Student Union – an independent charity that represents the needs and views of our students. The Union works closely with Manchester Met staff to provide a wide range of services and activities including events, online clubs and societies, online student representatives and complimentary phone or Skype interviews with the Advice Centre.

Library services

In addition to being able to access all of your reading material online, Manchester Metropolitan University Library provides helpdesk support to Global Online students. You can contact them by email, live chat and telephone to discuss a whole range of support, including how to manage your library account online.

Disability Service

Dedicated advisors provide guidance and information to students with disabilities who may need additional support throughout their studies.

Health and Wellbeing

The University has a team of professionally-qualified counsellors, mental health and well-being mentors and a mental health advisor.

Dedicated career and employability support

We will also help you put your new skills and knowledge into practice through the University's dedicated Careers and Employability Service. This offers personal support to help you assess your career options, maximise networking opportunities and enhance your employability skills. Always on hand and available for up to three years after you graduate to help you further your career, services include:

- Individual careers advice
- Access to an online CareerHub system for additional resources and advice
- Support with job applications including video interview support
- Access to Industry networks
- Career mentoring from employers connected to the university
- Practice aptitude and personality tests.

Graduation

To mark your achievement as a Manchester Metropolitan Global Online graduate, we will invite you to a graduation ceremony in Manchester. This is identical to the ceremony that on-campus students attend and gives you the chance to meet your fellow graduates, celebrate your achievement and experience the sights and sounds of our amazing city.

Alumni Community

With 290,000+ alumni living and working in 144 countries across the world, when you graduate you will be part of a global network that brings together a huge range of professions, achievements and career paths. You'll be part of a vibrant community that makes a real impact to the world.

Welcome to the Business School

The Business School is part of the Faculty of Business and Law at Manchester Metropolitan University – one of the largest of its kind in the UK.

Since it was established, the Faculty has supported industry and commerce in Manchester. Today, it offers undergraduate, postgraduate and higher research degrees in all the major sub-disciplines of business, management and law. Accredited by EQUIS, AACSB and AMBA, the School is part of an elite group of business schools worldwide to achieve the prestigious trio of accreditations. This is further testament to the School's high standards of teaching and research, which are at the heart of its mission to transform

lives, businesses and communities. All courses and programmes are underpinned by research, which is internationally recognised for its relevance and impact on organisations and societies. A strong external focus ensures the research is transferable, supporting industry and commerce, and informing public policy.

Our accreditations

The Business School is accredited by The Association to Advance Collegiate Schools of Business. This means we are internationally recognised for meeting global standards of excellence in business and management education.

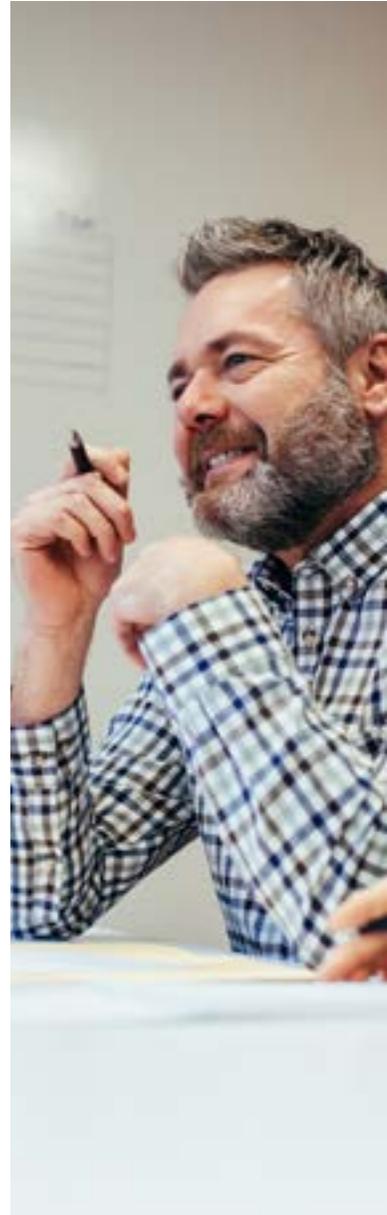

The Association of MBAs is the global kite mark for high quality MBAs and postgraduate qualifications. The Association fosters innovation in curriculum, teaching and student experience to global standards. Our MBA programmes are fully accredited by AMBA which means they have been rigorously assessed to ensure the quality of the teaching on our MBA is of the highest quality. The accreditation also means that Manchester Met MBA graduates have access to the North West AMBA alumni network, providing excellent networking opportunities with other MBA alumni across the region.

Manchester Met's Global Online MSc in International Human Resource Management meets the advanced professional standards set by the Chartered Institute of Personnel and Development (CIPD). Upon membership to the CIPD, you will be awarded the Level 7 Advanced Diploma in Human Resource Management when you graduate, helping you to distinguish yourself from the competition by demonstrating you have the practical skills and the expertise needed to lead internationally.

Our Business School holds the EQUIS accreditation – a leading international system of quality assessment, improvement and accreditation of higher education institutions in management and business administration. By attending an EQUIS accredited institution, students can be confident they are part of a high quality institution.

Masters of Business Administration (MBA)

Enhance your leadership skills and take your career to the next level.

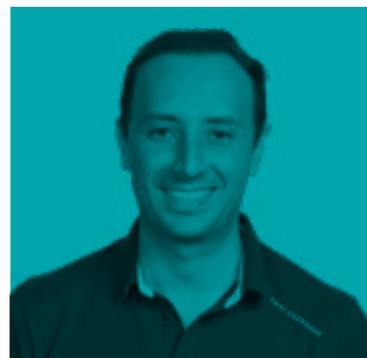

A Masters of Business Administration (MBA) remains one of the most prestigious qualifications in business. Many global organisations expect executive candidates to have earned one as a matter of course. It is a proven means of progressing up the career ladder and acquiring the skills for leadership. Our Global Online MBA programme takes full advantage of Manchester's dynamic business environment. Whether you are

looking to accelerate your career, change career paths or start your own business, it will teach you the practical skills and theoretical knowledge you need to become a more effective and influential business practitioner.

The programme is challenging, but highly rewarding. You will develop your understanding of Strategic Management, Finance, Marketing, Human Resource Management, International Business and more. You will also

enhance your leadership skills and have the opportunities to network with businesses, academia and like-minded professionals, both nationally and internationally.

The course is delivered by our triple accredited Business School:

"I am undertaking a Global Online MBA because I always try to push my boundaries, push my limits and really improve myself. I believe without challenges, we stay stagnated and I believe that this degree will be one of the greatest challenges of my educational and professional life."

Alexander Tabalipa,
Global Online MBA student, 2017

MSc in International Human Resource Management (CIPD approved)

Developing HR skills with a global perspective.

Human Resources is increasingly pivotal to the strategic direction, culture and environment of businesses and organisations – from recruitment to employee benefits, performance management to training. Our Global Online MSc in International Human Resource Management is accredited by the CIPD and designed to equip

professionals with the skills to lead and drive policies that work in conjunction with overall business strategies. The broad and challenging syllabus is taught by experts with a wealth of industry experience and offers a holistic overview of HR. You will cover topical subjects such as Leading, Managing and Developing People

and Global Resourcing and Talent Management within an international context. You will also gain a solid understanding of senior level decision making, as well as having the opportunity to share knowledge and experiences with fellow professionals from across the globe.

CIPD
Approved centre

"I chose the Global Online International Human Resource Management Masters to help me further my career. My current role is a challenging one that requires me to be flexible and, with a young family, I needed a course that offered value for all of the time that I could commit."

Patrick Armstrong, Global Online MSc in International Human Resource Management student, 2017

MSc in Finance and Strategy

Driving dynamic career growth in the changing worlds of banking, finance and accounting.

Businesses in the financial sector face more pressures and complexities than ever before. Those working within banking, finance and accounting need to deal with increasing information and activity in areas such as financial reporting, foreign exchange and risk management. To be successful in these environments requires a wide range of skills and capabilities.

Our Global Online MSc Finance and Strategy course offers future senior managers a crucial understanding of these challenges.

It will give you the global perspective you need to take advantage of new opportunities within the industry, whether as a Strategic Planning Officer, Project Manager, Analyst, Financial Manager, Financial Controller or a wide variety of other roles in the sector.

The programme is suitable for those both with or without existing professional financial qualifications.

If you already have a professional qualification from a recognised institution, such as ICAEW, ACCA, CIMA or AAT, you may be eligible for exemptions from four of the programme's nine modules. Please contact our Enrolment Team for more information.

“This Global Online programme offers a number of benefits that are not found in other courses. Many of the tutors have had to juggle working full-time with studying part-time and understand how demanding this can be. We also ensure students are able to explore current and pressing issues thanks to a forward looking curriculum, which acknowledges the evolving role of accounting and finance functions and covers topics such as FinTech and risk management.”

Anna Egan, Programme Lead,
MSc Finance and Strategy

MSc in Sport Business, Management and Policy

Excel in the competitive arena of sport management.

The sports industry is a multibillion dollar market with increasing worldwide popularity and investment. Encompassing everything from media rights and sponsorships to stadium food and memorabilia stands, this is a complex business environment that offers exciting commercial opportunities for those with the passion, knowledge and qualifications to succeed.

This programme offers an internationally-recognised qualification that can prepare you for a wide range of careers in

this dynamic industry. Potential careers include: sports marketing, sponsorship, research and consultancy as well as sports retail and facility management in both the public and private sectors. Graduates can also consider event planning and project management in the sector.

Based in a city with an international reputation as a centre of sporting excellence and innovation, Manchester Metropolitan has developed a world-leading academic focus on sport. This programme covers

all aspects of the business – from policy to entrepreneurship and data analytics – to help professionals gain the skills needed to progress into a position of leadership. This is a specialist course which is grounded in current sports practice and taught by academics with strong links to professional sporting bodies. Students can build solid professional networks and acquire the expertise demanded by leading organisations worldwide.

“This degree is a fantastic opportunity for those wanting a career in sports business and management, policy or governance. The structure and design of course content has been informed by the University’s Sports Advisory Board, made up of key sports industry experts, to ensure students graduate with the practical skills and knowledge highly sought-after by leading sports employers.”

Dr Paul Michael Brannagan,
Senior Lecturer, MSc Sport Business, Management and Policy

Welcome to the Department of Health Professions

MSc in Food Science and Innovation

Gain the specialist skills needed to progress in the expanding field of food and nutrition.

From the effect of climate change on crops, to increasingly volatile food prices and unpredictable fluctuations in supply and demand, the pressures on the global food industry show no sign of abating.

Our MSc in Food Science and Innovation programme covers local and worldwide trends in the

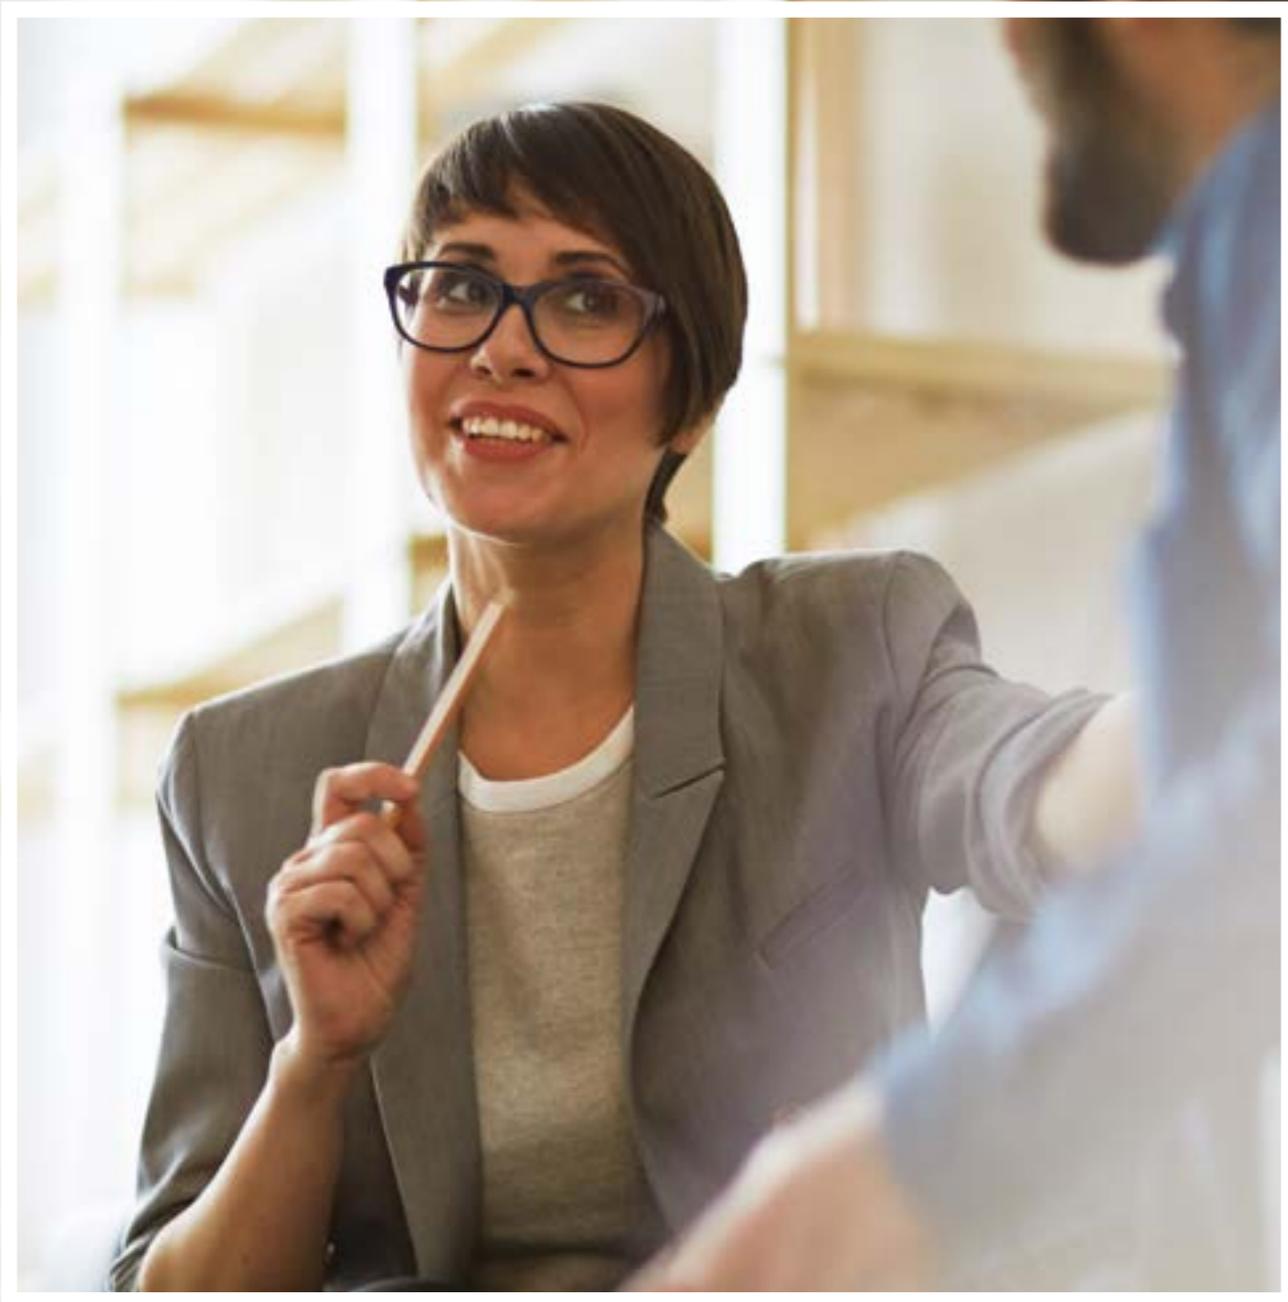

food industry. Building upon your existing practical experience and commercial acumen, it will help you develop the specialised skillset needed to tackle the world's food challenges.

As one of the few programmes in the UK that offers a combination of food science and nutrition modules, you'll cover a broad range of

topics, with each unit underpinned by expert research and taught by academics with real industry experience.

The practical course content will be delivered via lab demonstration videos and interactive tutorials. You will also conduct interactive online lab simulations using the award winning virtual lab, Labster.

Funding your studies

We know that the financial commitment of postgraduate study can be daunting. But there's a variety of options to help you deal with the costs – and our team is ready to help with advice.

Payment Options

If you are either a self-paying or a sponsored student, we welcome you to apply.

Self-paying students

All of your payments will be made online via our secure global payment portal, which offers a number of payment options to suit you.

If you are a UK/EU student, you are able to pay your fees through online bank transfers, credit or debit card payments.

If you are an overseas student, you can pay in your home currency, from a bank account in your own country. Our portal offers a “best exchange rate guarantee” and no additional bank charges.

Sponsored students

If you are being sponsored by your employer or another approved sponsor, they must pay your fees through the same secure online portal.

Postgraduate Loans

The UK Government has launched a new postgraduate loan scheme for UK-based students wishing to enrol on a masters course. Students can apply for a non-means tested loan of up to £10,000 to help you fund your studies.

You will not need to make any repayments during your studies and, after this, your repayments will be based on your income to ensure they stay manageable.
